Why You Need Individual Whole Life Insurance

It's important to prepare for the unexpected and help ensure your loved ones will be financially protected in the event of a tragedy. Your life insurance benefit can help replace your income and help your family meet important financial needs like funeral expenses, everyday living costs, and college.

American Fidelity Assurance Company's Whole Life Insurance provides protection for your entire life. It's an individual policy, which means you own it and can take it with you when you leave employment or when you retire to age 121. The premium and amount of protection stay the same as long as the policy is in force, provided premiums are paid as required.

Flexibility When You Need It

By choosing a Whole Life Policy, you have flexibility to adjust your benefits when needed. Cash value flexibility features include:

- Take a **Cash Surrender** and terminate your Policy. With this option, you will receive a check equal to your plan's current available cash value. In many situations, cash surrenders may be paid tax free.¹
- **Partial Surrender:** You can withdraw a small portion of the policy's cash value in the form of cash, in exchange for a proportional reduction to the policy's available cash value and the face amount.
- **Loans:** You can borrow against your cash value at a competitive 8% loan interest rate.

Discontinue Your Premium While Keeping Your Coverage Active

- Same Amount of Coverage - Shorter Length of Time: Under the **Extended Term Insurance** provision, your policy's original face amount (minus outstanding loans or accelerated benefit payments) will be guaranteed for a specific term of time. In addition, your premium is "paid in full" until your new extended term period expires, terminating your policy.
- Coverage to Age 121 - Smaller Guaranteed Benefit Amount. You can rest easy knowing you are covered for your entire life by utilizing the **Reduced Paid-Up Provision** and reducing your original death benefit to a smaller amount. Enjoy being premium-free while having the security of guaranteed lifetime coverage, just at a reduced benefit amount. Plus your cash value will continue to accumulate.

¹As long as the cash surrender does not exceed the total premiums received under the policy since inception. Please consult your tax consultant for your specific situation. ²Issuance of the policy may depend on the answer to these questions. ³Interim coverage for death will be in force from the date your application is signed if on such date the proposed insured is insurable per our underwriting guidelines for the requested coverage in accordance with the terms of the policy. This interim coverage for death will remain in force until the earlier of: 1) the date a policy becomes effective; 2) the date we decline the application; or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy and Children's Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, Accelerated Benefit Rider for Long Term Illness or Accelerated Benefit for Critical Illness Rider.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The minimum Accelerated Benefit available is \$5,000. The maximums vary by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- Only one Accelerated Benefit election will be made under the policy and/or each rider even if the Owner does not elect the full acceleration amount.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
 - 1) Accelerated Benefit for Critical Illness, if this optional rider is attached to the policy;

Upon request to accelerate the policy/rider proceeds, and upon the payment of the accelerated benefit, the Owner and any irrevocable beneficiary shall be given a statement demonstrating the effect of the acceleration on the payment of policy proceeds, cash value, death benefit, premium, and policy loans, as applicable.

Accelerated Benefit for Terminal Condition

Prior to the payment of any Accelerated Benefit, the Insured/Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or \$100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract:

Any premiums due to keep the policy/rider in force will be paid by us, and will be deducted from the policy proceeds upon death, unless you are currently exercising the Automatic Premium Loan option. If you are currently exercising the Automatic Premium Loan option, any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued.
- Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the

amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us on your behalf.

- Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans.
- Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment.
- This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.

Premium is required to keep this rider in force.

Premium is required to keep this rider in force.

Payment of an Accelerated Benefit for Long Term Illness, if elected and/or Critical Illness, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due.
- Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated.
